COMPLIANCE CONTRACT

Helping to keep your O Licence in the green

When it comes to keeping your business compliant the Volvo Compliance Contract is a convenient and cost effective way of maintaining your O Licence and OCRS score.

This fixed-fee contract covers all makes vehicles at 1 year plus, for its regular O Licence inspections required by law, including vehicle steam clean, MOT preparation and test.

The Volvo Compliance Contract will help you to keep your OCRS scores in the green. We will advise you of any rectification work required and give you a quote in advance for any work. You can have the work done with us at the time or have it done elsewhere. You are not tied in and you have the freedom of choice.

We offer this contract on any commercial vehicle or trailer irrespective of age or mileage.

BLUE: PREVENTATIVE MAINTENANCE

Preventative maintenance programme

Our Volvo Blue contract is a programme of regular inspections and services to maintain your truck in line with Volvo's recommendations.

It includes MOT presentation, tacho calibration and all the work is carried out by our highly skilled Volvo technicians using Genuine Volvo Parts and lubricants.

We offer this contract on any commercial vehicle or trailer irrespective of age or mileage.

SELECTED/APPROVED - BLUE (COMBINED)

Warranty for driveline components

Combining our Volvo Blue Contract with a Selected or Approved Used Truck offers you the extra peace of mind that your vehicle will be maintained in line with Volvo's recommendations and that all major driveline components are covered by your prevailing Volvo Driveline Warranty.

All work will be carried out by Volvo trained technicians using Genuine Volvo Parts.

You will also have continued Volvo service history adding value to your trucks.

GOLD: CONTRACT MAINTENANCE (All Volvo Trucks)

A fully comprehensive maintenance programme

The Volvo Gold Contract is the simplest way to hand over the upkeep of truck(s) to Volvo.

For a fixed monthly payment, we'll shoulder the work and responsibility for an agreed period.

All Volvo mechanical and electrical components are covered as part of a comprehensive programme, which also includes 24 hour roadside assistance.

The package can be tailored to your specific needs and may even include non-Volvo trucks, trailers, fridges, tail lifts and hydraulics.

If you value your trucks, trailers and ancillary equipment, this tailored Gold Contract maintenance package will prove invaluable and maximise your vehicle uptime.
